

REMARKS

Upon review of the Examiner's amendment it was noted that the company name of Danisco, appearing on page 7 had been amended by the Examiner. The company is in fact spelled correctly. Danisco A/S, is located in Copenhagen, Denmark. A copy from their web page accompanies this Rule 312 amendment which changes the spelling back to Danisco, from Danusco.

Applicants respectfully request that this amendment be entered into the record.

This paper is being filed contemporaneously with payment of the issue fee.

Should the Examiner have any questions or wish to discuss any aspect of this case, the Examiner is encouraged to call the undersigned at the number below. It is not believed that this paper should cause any additional fees or charges to be required, other than expressly provided for already. However, if this is not the case, the Commissioner is hereby authorized to charge Deposit Account 19-2570 accordingly.

Respectfully submitted,

Pharma & healthcare

Although primarily known for our activities in the food industry, Danisco has also been active in pharmaceuticals and healthcare for many years.

Our range of emulsifiers, sugars and polyols can be used in a variety of pharmaceutical applications, and we are constantly developing new products and variants to meet our customers' specific requirements.

For cosmetic formulations, we offer both active compounds for moisture maximisation and skin protection, as well as humectants, bulking agents and thickeners for texture improvements in cosmetic formulations.

For oral hygiene, our speciality carbohydrates can help to provide the sweetness to your products without causing tooth decay.

Danisco focuses on

- Health & Nutrition
- Food protection
- Innovation
- Industrial biotech solutions
